Quote request form

In order to develop capacitors that best fits to your application, we would appreciate your care in filling out this form.

Company :		Contact name : *	
Department :		Phone :	
Adress :		Fax :	
Area code :		Email : *	
Location :			

Capacitors specifications :

Application : *

☐ Industrial ☐ Medical ☐ Railways ☐ Military
☐ Other :

Capacitance : ☐ μ F ☐ nF ☐ pF

Test voltage : kV DC

Voltage reversal : %

Operating voltage : kV ☐ DC ☐ AC

Peak current : A

RMS current : A

Pulse width, Duty cycle :

Life time : ☐ shots ☐ hours

Frequency :
☐ Hz ☐ shots/sec. ☐ min. ☐ hours

Maximum inductance (ESL) : nH

Maximum inductance (ESL) : nH

Work temperature

Work temperature nH

☐ Min ☐ Max

Storage temperature :

Discharge circuit :

Special tests :

Mechanical characteristics :

Maximum case size (mm) :

Other specifications (Alu, Epoxy, Steel, PVC, Makrolon...) :

Miscellaneous :

Expected quantities : pieces

Prototype desired : ☐ Yes ☐ No

Other :

* : Fields required
